- IT & Office Technology Support

PROFESSIONAL EXPERIENCE

Dynamic Industrials | Greater Noida — **Dec 2024 – Present**

System Administrator Engineer

OFFICE ADMINISTRATION & OPERATIONS

- Prepare operational reports and technical documentation, keeping clear records of ongoing office and IT activities.
- Follow up with colleagues and departments through clear, professional communication, coordinating to resolve routine issues.
- Provide hardware, software and user support across departments and support office IT assets and technology.

CLIENT ENGAGEMENT & BUSINESS SUPPORT

- Communicate with customers and prospects about the company's products, handling queries and providing end-to-end support.
- Support lead generation and follow-up through IndiaMART and digital channels, using CRM tools to manage enquiries.
- Take part in client meetings and site visits; support exhibition preparation and management.
- Handle social media posting and digital marketing content, including video creation and editing and graphic design.

TECHNICAL SUPPORT & ROBOTICS

- Manage Windows installation, updates and troubleshooting; configure LAN/WAN and resolve network connectivity issues.
- Gaining hands-on exposure to ROS/ROS2, Linux workflows and Gazebo simulation, with interest in industrial automation, AGV and AMR concepts.

Indotag Solutions Pvt. Ltd. | Kasna, Greater Noida — **May 2024 – Dec 2024**

IT Support Engineer

- Performed routine server checks and monitored system performance to support operational reliability.
- Troubleshot network issues and managed secure SFTP file transfers.
- Applied endpoint security updates and system patches to keep user systems protected and current.
- Supported hardware/software setup and system configuration for users.

LG CIC | Surajpur, Greater Noida — **Feb 2023 – Apr 2024**

WhatsApp Chat Support Agent

- Handled customer queries through WhatsApp, providing product information and basic troubleshooting guidance.
- Logged issues, followed up and escalated technical cases when required, maintaining accurate case records.
- Maintained timely, professional communication and consistent service quality.

EDUCATION

Harlal Institute of Management and Technology — **Jun 2021 – Jul 2024**

Bachelor of Computer Applications (BCA)

Shri Ram Convent School (CBSE) – 10th & 12th completed
